Dear Bob Arlotta,

On behalf of our instructors Alan Creveling and Phillip Eng, I sincerely thank you for volunteering your time to conduct the NATEF Evaluation on December 6, 2017. The personal time you invested in SCVTHS is truly appreciated. Your knowledge and experience in our students chosen career assures us that our program is effectively preparing our students to become successful in the automotive field. With the assistance of professionals like you, we're able to deliver a program that not only follows the NATEF standards, but is legitimate and safe.

Thank you again for your valuable time and best wishes for a happy, healthy and prosperous 2018.

Best regards,

Mario Peluso  
Supervisor of CTE
